

Tamarack Golf Club is participating in the **Valley Green Fees Program** for the year 2014. Below is a sample of our 2014 Annual Membership card that each 2014 paid member shall receive. These can be picked up in the proshop when payment for your annual dues are received.

**Statement of Program:** Each participating golf club will offer members of participating clubs golf play at their course for ½ price green fees. This benefit will be extended to members and at most courses, one guest for the year 2014. The benefit to be valid at anytime the golf course is open for regular play and tee times are available. Exclusions to this benefit are holidays, weekends if indicated, or days that course events (tournaments, etc.) prevent visitor play. Golfers playing in tournaments at participating golf clubs will pay normal tournament fees and are not entitled to ½ price benefit. (Example: Cost at 2012 Memorial tournament in LaJunta was \$160.00/golfer. All golfers pay this fee, NOT \$80.00).

**Membership Responsibilities:** Participating members shall call ahead to schedule play and to insure space availability. They will inform course personnel that they are a member of TAMARACK GC and would like the ½ price green fees. Upon arrival they shall present their membership card, pay appropriate green fees and play their round of golf, abiding and respecting all course rules. It is hoped that if a member is unable to contact the course ahead, that the course will honor the benefit if space is available. **Please do not rely on acceptability of this privilege if the course is not contacted!**

**Concerns or issues:** If a member experiences a problem at any participating course, they shall inform their home club and explain details. **They shall not raise issues at the participating course.** Club personnel will contact Tamarack Golf Club about any issues or concerns about the program. Every effort will be made to resolve the issues and Tamarack Golf Club will have the final say on resulting actions taken.

**Participating Golf Courses:**

Lajunta Golf Club	27696 Harris Rd. PO Box 174	Lajunta, CO 81050	(719) 384-7133

We are excited about this program and encourage members to go play these other courses. Hopefully this will improve relationships between courses and encourage the possibility of tournaments and events between clubs. If you have questions regarding the Valley Green Fees Program please contact the proshop at (719) 775-9461 or email us at [mhines@tamarackcc.com](mailto:mhines@tamarackcc.com)
